POULTRYWOMEN, ATTENTION! Prizes Offered to Keepers of Most Prolific

George Morris of No. 2 Green street, Barre, Vt., offers through the Central Vermont Poultry and Pet Stock association, one first class, high grade, out door brooder, value \$20.00, to the lady in Washington county who gets the largest egg yield per hen during the months of October, November and December,

A careful daily egg record must be kept. Said record to be complete record of the whole stock of poultry over five months old owned by competitor and with the number of hens and name of breed or breeds kept, be mailed to the secretary, J. E. Mitchell, Barre, Vt., on or before isn. 5, 1907.

An entry must consist of at least 12 birds. Any lady may buy her husband's stock and enter it in her own name. The competition is open to lady members of the association or to the wives of members of the association, lif not a member of the association, join at once and enter the contest.

My reason for giving this early an-

My reason for giving this early an-nouncement is that prospective competi-tors may have a chance to get out early chickens, as it is the early pullets that must be depended upon for eggs during

It costs nothing to enter the compe-tition. We depend on your honesty in giving a correct record and will have the result published in every newspaper at this session.

in the county.

The writer has seen the model of the brooder and recommends it highly. Mr. Morris guarantees the workmanship will be superior both in appearance and wear-ing qualities to any high grade brocder

bered 2,000 strikers, then sought to cap-ture and lynch Carron. Two squadrons of hussars attempted to convey Carron to a place of safety and a fierce battle between the strikers and troops resulted, some of the strikers seizing the horses of the cavalrymen, while others rained stones and other missiles on the soldiers. Finally, however, Carron was re-moved to jail at Bethune. Many per-sons on both sides were injured during

LAST RESORT FOR TUCKER.

Big Popular Petition, With Mayor of Boston's Name First.

Boston, April 2.—Vahey, Innes and Mansfield, counsel for Charler L. Tucker, who is under sentence of death for the murder of Mabel Page, Saturday opened a special office at the Kimball building, n special office at the Kimball building, near Scollay square, in Boston, to give the people of Massachusetts an opportunity to sign a petition to Governor Guild for commutation of the sentence to life imprisonment. The first person to sign the petition was Acting Mayor Charles M. Draper of Boston, He was followed by many people, not only of Boston, but of Cambridge, Somerville, Lynn and other cities. Tucker's representatives have also sent blank forms for petitions to every newspaper in Massachusetta, accompanied by a memorial for petitions to every newspaper in Massachusetts, accompanied by a memerial addressed to the people of the state in which it is stated that the petition plan has been undertaken because "thousands it was pending in the Senate, was to be

BRITISH DRINK BILL DROPS. Statistics Compiled by Dr. Burns Show \$25,000,000 Falling Off.

London, April 2.—Year by year the liritish public drinks less. This hopeful sign of the times is shown by some statistics compiled by Dr. Dawson Borns. The total expenditure on alcoholic ligners in 1905 was over \$820,000,000, might is a considerable sum, but it is \$15,000,000 less than the amount spent of 1754. There has indeed been a considerable for the last six years, and allowing for the increase in populaof allowing for the last six years, it, allowing for the increase in population, the total decrease in that period is been wanthing like \$170,000,000.

The Prejishman still spends more than by shown or Scotchman on liquer.

In the on Burns calculates that the of expenditure on frink per head equilation in England is \$19.16, in lated \$14.80, and in Ireland \$14.60.

A Gustanteed Cuts for Piles.

Call For a Caucus On the Tariff Question

Messrs. Gillett and Lawrence of Massachusetts Will Draft It - Then the President Will Be Approached in the Matter,

Washington, D. C., April 1. The Masand decided, more as an evidence of good faith to the people at home than in the bind on our guarantee to return your hope of accomplishing anything, to continue further agitation of tariff revision Rickert & Wells, Druggists. faith to the people at home than in the among their associates before the times comes for them to urge the matter upon President Roosevelt. It was decided to draw up tentatively a call for a caucus and Mr. Gillett and Mr. Lawrence were nouncement is that prospective competitors may have a chance to get out early chickens, as it is the early pullets that must be depended upon for eggs during these months.

The reason for taking these three months is that they are the most difficult months in which to produce eggs and are a good test of skill in poultry culture.

It costs nothing to enter the competition. We depend on your honesty in giving a correct record and will have means committee to consider the tariff of the delegation at another meeting next week. It will be for a vote to decide whether the Republicans as a body will not instruct the ways and means committee to consider the tariff of the call, while she appointed to draft the call, while she appointed to draft the call, while she entire Republican membership of the Hunse was divided up among the individual Massachusetts men for them to see and labor with as missionaries. The caucus call to be drafted by Messrs.

Gillett and Mr. Lawrence were appointed to draft the call, while she entire Republican membership of the Hunse was divided up among the individual Massachusetts men for them to see and labor with as missionaries. The caucus call to be drafted by Messrs.

The hopeless caucus call will probably be thus drawn with very careful reference to the present session only, because it is felt that in making any agitation for a caucus, which is bound to Morrie guarantees the workmanning will be superior both in appearance and wear ing qualities to any high grade broader on the markes.

The broader will be shown at the poultry show Jennary 8, 9, 10 and 11, 1907; and the leading records sent in will be shown on the broader. At the close of the show the broader will be fruit the marked of the shown on the broader will be forced to the will be shown on the broader. "If the old man had only stood up and for their expenses in Europe during the sumfought when his name was attached, if he had only declared, 'Yes, I received \$26,000 a year and I was worth more, and ought to have had more; the other EYES SEWED TOGETHER. fellows were the looters;' if he had come back to Washington and gone on with his life and entertained and looked the public in the eye and told it to be damn-ed, he'd have lived it all down. The public, that always likes a fighter, would have come back to him. But the trouble was he wasn't a fighter, and never had been. He'd been just a cosset lamb all his life and when the time came to fight, he could't." There is the kernel of it; be was always a pampered child of for-

Now that Depew is down, the fashion is to decry his speeches. But it is worth while to remind Mr. All-the-World, as the French put it, that, in spite of his anecdotes, his speeches were often full of god and well-thought philosophy and were often works of art that will bear study even at this day. Many a man has gone to hear him, gone to scoff in ex-pectation of mere light badinage, and remained to praise. These are some of Senator Tillman's Fences.
